

Snowman Instructions

By: 12A Trevor Martin

1. Make a snowball that is red (number cc0033), and measures 2 ½ inches diameter, put it in the center of the page.
2. Create a second snowball that is blue (number 0000cc), and measures 1 ½ inches diameter. Put that snowball on top of the first snowball make it overlap the red snowball by 1cm
3. Now, make a snowball that is yellow (number ffff00), and measures 1 inch diameter stack that on top of the 2nd snowball make it overlap the blue snowball by ½ cm.
4. Now you're ready for the carrot, make a carrot that is orange (number ff3300) the line size is 7, make a straight line and start it in the middle of the yellow snowball and comes out 1 in.
5. Time to put on the bling-bling on the yellow snowball make a gold chain (color number that is line size 7 only have it come around the neck once, now make two letters that are K U with line size 5 and, the color is lime green (number 33ff00)put it in the center of the chain.
6. Now put on the hat make the cap facing to its left side (your right) this hat looks like an upside down cooking pot. Its color is number 00ff99, line size 7.
7. It's now time to make a mouth and eyes. The eyes are going to be coal color number (000000). The line size is 11, just make a circle that is 1cm diameter. The mouth is going to be smiling. The color of the mouth is 000000 line size 8. Make it in a cresant moon shape have it be ½ inch tall.
8. Your final task is to make it say "Rock chalk Jayhawk"! First make a purple speaking bubble color number 9900ff. the speaking bubble is the very top middle one. Now in the middle of the bubble make a text box 1 ¾ in long, when you type, Rock chalk Jayhawk the text size is 19, the color of the words is number, 00ff00 capitalize only the r in rock. Finally at the end make one exclamation mark.

9. Congrats you just made a snowjay.
